

# Commercial Cooling Announces Bob Gasbarro as Vice President, Sales & Marketing

City of Industry, CA

Commercial Cooling is pleased to announce that Mr. Bob Gasbarro has joined the company as Vice President, Sales & Marketing, effective February 1, 2010.

Mr. Gasbarro's distinguished 20 year background in the walk-in box industry includes top executive roles at Super Freeze, Kool Star, and most recently, as Vice President/ General Manager National Cooler division of Hill-Phoenix.

"We are all very excited with the addition of Mr. Gasbarro to our seasoned management team. Bob's proven track record will boost Commercial Cooling's emphasis on product development, strategic brand management, and promote our continued growth in all market segments," said John Milani, Commercial Cooling President & CEO.

Southern California-based Commercial Cooling has been manufacturing high quality walk-in coolers and freezers since 1967. Market segments include supermarkets, restaurants, food service, institutional, environmental rooms, medical/ scientific, and industrial walk-in coolers & freezers.
