

February 1, 2011

Commercial Cooling is pleased to announce David Scott & Associates as our new manufacturers' representative covering Northern California from the Oregon border to the Kern County line and part of Nevada.

Dave's background in refrigeration spans thirty years and his career includes successful years with Hussmann Refrigerator Co & William Wurzbach Co

Dave brings much experience with walk-in box and refrigeration equipment sales. He has earned a solid reputation in the industry through his honest approach, attention to detail, and high-level customer service.

We welcome David Scott & Associates to the Commercial Cooling team.
