

# Commercial Cooling / Par Engineering, Inc OVERVIEW & REFERENCES

Commercial Cooling has been manufacturing the highest quality walk-in coolers & freezers since 1967. From a humble start in an 8,000 sq. foot facility with 8 employees we have grown to a 60,000 sq. foot state-of-the-art production facility with over 60 team members.

- ❖ Fast lead times, custom made walk-ins in as little as a few days
- ❖ Management team with over 320 years of walk-in manufacturing experience
- ❖ Proudly manufactured in America with 100% American made parts and materials
- ❖ Fully automated production facility with hand crafted attention to detail
- ❖ Highest quality high-density foam rail perimeter panels
- ❖ Door panels pre-wired for single-point connections in the field
- ❖ Walk-ins pre-assembled in factory prior to shipping
- ❖ 20 year panel and 5 year door warranties

For more than 50 years, we have custom designed refrigeration solutions for: restaurants, breweries, forensic labs, cold storage facilities & many other applications. Our valued customers include:
